CPA Ontario: Our History

Since our founding in 1945 by a group of veterans paralyzed during World War II, CPA has been committed to reaching out and responding to the needs of all Canadians with spinal cord injuries and their families.

Our history in spinal cord rehabilitation has always been linked to members helping members and to this day, members play a large part in assisting our clients in their rehabilitation journey.

"Members are integral because they allow CPA Ontario to reflect a unified voice for change and advocacy for persons with disabilities across the Province".

— Ken Langford, Member

CPA Ontario membership includes individuals with spinal cord injuries and other physical disabilities, their families and friends as well as interested members of the general public looking for a place to turn for awareness, education and a sense of community.

CPA Ontario provides consistent, holistic, individualized and quality assured services in the following core areas:

- Peer Support
- Rehabilitation Counselling
- Vocational/Employment Services
- Community Advocacy

Strength In Numbers: CPA Ontario's Membership Services

CPA Ontario Membership Services is a network comprised of stakeholders with an interest in individuals with spinal cord injuries and/or other physical disabilities. Membership Services exists to celebrate and enhance successful outcomes for CPA Ontario members by facilitating, collaborating and advocating with their collective voice.

"Strength in Numbers" is this program's call to action. We work with members to:

- Provide a forum to express your ideas
- Bridge gaps between members and their communities
- Facilitate social integration and community participation

- Cultivate the spirit of mutual help and teamwork
- Develop peer-to-peer contact events
- Provide member education, community data and networking opportunities
- Ensure that CPA Ontario remains relevant and that members' needs remain at the heart of our priority setting

"CPA Ontario members work together to create a society in which everyone benefits from inclusion. These intrinsic rewards are the "raison d'etre" for CPA Ontario membership."
